Expert Fresher
Nurse

Phase 1: Knowledge for Skills (4 Months)

- ✦ **Practical, OSCE-based learning** covering key skills expected from a fresher nurse
- ✦ **Real-life** case discussions in every topic to build confidence in clinical thinking
- ✦ Guided query sessions with **expert mentors** for doubt-clearing
- ✦ **Self-assessment** after each topic to check your progress
- ✦ **Online delivery** with flexible slots to learn alongside your internship

Delivery Mode: Online learning —
6 hours per week with live mentor interactions

Fees
3,000 per month × 4 months

Phase 2: Hands-On OSCE Training (2 weeks)

- ✦ Training on 40–50 clinical skills — from foundational to intermediate level
- ✦ Practice with realistic manikins, equipment, and consumables for every procedure
- ✦ Step-by-step demonstration using Peyton's 4-Step Model (a proven method for mastering skills)
- ✦ Extensive hands-on practice guided by expert trainers
- ✦ Every skill assessed through OSCE to check your accuracy and confidence
- ✦ OSCE Certificate awarded after successful completion

Delivery Mode
6 days a week, Face-to-face sessions at
Ebekmed Skills & Simulation Lab

Fees
13,000 one- time payment
